WELCOME TO LEHIGH

As you embark on this new path toward an advanced degree, you'll find many opportunities to deepen your research interests, form new relationships and explore all that Lehigh has to offer.

The Graduate Student Life Office is here to help you make this period of your life a connected, enriching, and gratifying experience. We encourage you to take advantage of our numerous programs and services, which can include everything from broad social and networking opportunities to details as small as photocopying. We also offer professional development workshops and numerous resources to help you settle into your new life here at Lehigh. The Graduate Student Life office can also serve as your liaison to other administrative offices on campus, and we are eager to assist you in any way we can.

- Kathleen Hutnik, PhD
Associate Dean for Graduate Life
